IMA TNSB/CBE/2021/GEN/073 Dated 29-01-2021

To

**State office Bearers, Branch Presidents, Secretaries
Members of IMA TNSB.**

Dear Dr.

Greetings from IMA TNSB

Ref:

- CCIM Notification dated 19.11.2020 on PG Ayurveda Education on MS Shalya Tantra and Shalakya Tantra.
- National Educational Policy 2020 - Medical Pluralism and lateral entry – Mixopathy.
- NITI AAYOG Committees for Integration of Health care system.

Sub: 1. Nationwide fasting at various designated places from February 1st to February 14th 2021 against Mixopathy

2. Awareness Relay bike rally from various places towards Chennai - from February 1st to February 14th 2021 on Hazards of Mixopathy.

At the outset we would like to thank our Tamil Nadu Government for assuring the purity of system of medicine and not to favour Mixopathy.

The National education policy 2020 is towards medical pluralism and paves way for lateral entry of Paramedics & other system of Indian Medicine Graduates into practice of Modern Medicine. Similarly with the aim of one country one system of medicine NITIAAYOG has formed 4 committees to formulate means for integration of all systems of medicine vide AYUSH and Modern Medicine into one system which is a Mixopathy system. The recent notification from Central Council of Indian Medicine (CCIM) dated 19th November 2020 approved MS (General Surgery) PG degree by Ayurvedic graduates as Shalya Tantra & Shalakya Tantra and will be allowed to do 58 types of surgeries which includes technically competent procedures like cholecystectomy, cataract, ENT, dental etc.

All these steps are towards Mixopathy & will be detrimental to public & the sanctity of the individual system of medicine gets diluted. In the current state of advances in the medical science towards Micro specialization to the extent of Hepatologist, retina surgeon etc., the current policy of Mixopathy degrades the Indian Health care system. Indian healthcare & Indian doctors have earned the peak positions in the world healthcare scenario. IMA is against Mixopathy.
