State President Message

Dr. C.N. RAJA

State President, IMA TNSB

Cell: 98427 27277 cnrajaent@gmail.com

Dear Colleagues, Greetings,

Our state office started the work in full serving from the New Year. The transfer of the accounts and other formalities have taken place. I hope every branch would have celebrated the Pongal in the traditional manner.

I am happy all our office bearers have started their job and it will be reviewed periodically. Similarly I expect all branches would have completed the elections our new office bearers have taken over.

Myself and Hony. State Secretary Dr. A.K. Ravikumar attended the installation at Attur, Coimbatore and Tirupur. I am also happy that Attur and Tirupur branches have launched the IMA Task Force. We have attended the state presidents and secretaries meet at Delhi on 10th & 11th of January.

On 7th of January we met our Health Minister Honorable Dr. C. Vijayabaskar. We also met DMS and sorted the issue of non-meternal death audit. Which created a panic wave among our members. This has been dropped by DMS. She insisted that appropriate referral and expert opinion should be taken in case of emergencies and complications due to any surgical procedure in order to save the patient. I wish our members to take this in to the account for safety of patient. This would certainly is avoid unnecessary crisis and litigation.

On 19th of January we have meeting with Otolaryngologist and IMA to implement CODE-Hear the Ear. Congenital Deafness Detection is Early Age at Chennai. I thank Padmashri Dr. Mohan Kameswaran for his support.

We have also fixed a date on 21st of this month for state advisory meeting on CEA issues

doing with DMS. The solid waste management has been take care. Met the Additional Secretary for local administration given requisition to take care of our grievances. Health Secretary conveyed a meeting on private nurses related problems NHB Chairman Dr.B.Sridhar attended on our behalf and gave a good representation. We have also asked for more members to be included in the committee, which our Health Secretary agreed.

We met NHM Chairman Mr. K. Senthil Raj IAS and to have programme along with IMA in order to reduce the maternal mortality, which we are working on it.

The IT wing has been asked to take necessary steps to go for IMA SOS App in order to call the IMA officers at the time of crisis. And also to do necessary arrangements to go for video conference among office bearers, standing committee and with branch office bearers.

PCB:

The PCB related issues the National IMA is working on all related problems including changing the orange categories and brings a separate category for Health Care Establishment.

We are carrying out work to renew the IMA society registration for the current year.

We have the NHB conference on 26th of January at Coimbatore. Medical Legal Conclave on February 9th at Chennai details available in the website. Kindly attend to keep you updated.

Dear Seniors, Brothers, Sisters Greetings!

It gives me great pleasure to write you as your President Elect and Finance Standing Committee Chairman. At the outset I wish you all a Happy Pongal.

Our IMA has come through a big misappropriation of funds and the stage is now set for the recovery of the same. Out of every good thing a bad thing happens and vice versa. Out of the misappropriation has come up the need for a scientific management of funds and a near perfect accounting system. IMA has come up with a system of operating procedures (SOP) for every wing and scheme especially for the state office. It's high time we take it up seriously and set a specific pattern of accounting which is easily traceable and verifiable. "I request the Secretaries of various wings and scheme to submit their accounts for the FSC meetings at least two weeks before the meeting.

As elections and change of new office bearers for the branches are on, I wish the new teams a fruitful tenure.

PPLSS is organising a medico legal conference in Chennai on 09.02.2020 and I request you to attend the same and listen to some of the best in the legal arena.

We the state office bearers met our Health Minister, Health Secretary and other officials last week as a matter of courtesy and conveyed our new year greetings as well discussed some important issues with them.

As a member of Medical council I am happy to inform you that all the operations of the medical council have been digitalized and simplified and now it's easier to register, get certificates. Request for verification and credit hours have been simplified.

Rest assured your IMA will always stand by you and help you so that you can practice peacefully.

Long live IMA!

Dear friends, seniors and colleagues,

With all your blessings and wishes we have officially taken over the finances on 31st Dec. in Tambaram from Dr. B. Sridhar. The accounting and handing over was done very meticulously by Dr. A.K. Ravikumar. To put it in a nutshell we have 115 fixed deposits in 8 banks, and 16 current bank accounts.

We have a lot of proposals to be placed in the finance standing committee subject to approval we'll place it on record. I'll update status concisely every month. We'll make it as simple as possible.

**Wishing you all
a happy
and prosperous New year
and Happy Pongal.**

Thanking you!

Yours in IMA service,

I AM AND I WILL

Dr. Suresh Venkatachalam MCh
Surgical Oncologist, Coimbatore

World cancer day being celebrated on Feb 4th every year. This is an international event, where information about cancer, awareness of early diagnosis, modern treatment, rehabilitation and not leaving out palliative care as well as hospice care are enlightened.

THE THEME OF WORLD CANCER DAY in 2020 is I AM AND I WILL.

IT'S A INCLUSIVE PLATFORM for voices from all corners of the world, including the remotest area. So that the needy gets the right treatment in time.

Now considering the Indian scenario as far as cancer care is concerned, we have a bit advanced in treatment aspect and are far away lacking behind in screening for early detection of cancer.

CANCER STATISTICS IN INDIA 2018

Estimated number of people living with the disease around 2.25 million.

Every year new cancer patients registered over 11, 57,294 lakh.

Risk of developing cancer before the age of 75 years; male- 9.81% Female- 9.42%

Total deaths due to cancer.

Nearly a million.

Now coming to the preventive aspect of cancer, Govt both Central and State Govt should further allot funds to train the staffs and promote cancer screening strategies, both in Urban and villages. At present Indian Govt policy cancer care has been included in NCD category. But I feel it should be brought separately and prevention and early detection

should be done like war footing measures. Patients often present in late stages mainly due to ignorance and considerable population seeks non-allopathic treatment including quacks, which in no way help the cancer patient and instead leads the patient to a wrong sense of security. By the time patient reaches cancer care center it's too late.

Probably creating awareness against using tobacco products particularly in world cancer day might in our country would greatly benefit the public.

I request IMA State Secretary and urge all IMA BRANCHES to take up projects on World cancer day to promote awareness about cancer screening and the ill effect of using tobacco. **JAI HIND!** ■

Sexual Reproductive Health

Dr. M. Deepa, M.B.B.S, DGO, Coimbatore

Sexual and reproductive health (SRH) awareness day is held annually on Feb 12th.

This day is an opportunity to raise awareness about sexual and reproductive health issues and to educate to reduce the spread of STI's, as STI still continues to be one of the major public health concerns in our country.

Good sexual and reproductive health is a state of complete physical, mental, emotional and social well-being in all matters relating to reproductive system.

To maintain one's sexual and reproductive health, people need access to safe, effective, affordable and acceptable contraceptive method. They must be informed and empowered to protect themselves from STI's, unintended pregnancies and unsafe abortions.

When people decide to have children, women must have

access to services that can help them have a fit pregnancy, safe delivery, healthy mother and baby.

KEY SRH ISSUES INCLUDE:

1. Puberty
2. Access to modern contraception
3. Pregnancy and unsafe abortion
4. Sexually transmitted infections
5. Gender based violence
6. Influence of information and communication technologies on sexual behavior.
 - Information relating to sexual activity
 - Cyberbullying
 - Sexting
7. Poor mental/emotional health
8. Alcohol, tobacco and drug abuse.

INTERVENTIONS RELATED TO SRH:

Ministry of Health and

Family Welfare, Government Of India has launched several programmes under the umbrella and RMNCH+A to provide health services for sexual and reproductive health.

1. Rashtriya Kishor Swasthya Karyakram in collaboration with UNFBA is a health program for adolescents.
2. Jansankhya Sthirata Kosh (National Population Stabilization Kosh) started a helpline to provide confidential counseling services and immediate answers to queries on sexual and reproductive health problems. Helpline No 1800-11-6555, operating daily from 9AM-11 pm.
3. School based sexuality educational programmes are most effective for creating positive effects about different aspects of sexuality, behaviours and risks of pregnancy or HIV and other STI's. ■

How will it be conducted?

State will have 4 zones and each zone can have up to 10 - 12 colleges. College and Zonal round will be conducted online. The winning four teams from different zones will take part in Final Round to be conducted at Coimbatore by the IMA Tamil Nadu & Medical Students Network. I have been using **Ezovion** suite of Hospital, Dental, Radiology, Lab and Pharmacy Management Software for last 6 months. It's easy to use and efficient patient record management helped us in better patient flow and care.

I am extremely happy with their software, my favorite is the "Comprehensive Dashboard". I would recommend **Ezovion** for any OP clinic to multispeciality hospitals.

IMA NURSING HOME BOARD

**Dear friends and respected seniors
Greetings from IMA Nursing home
board.**

It gives us great pleasure to write you once again from NHB the torch bearer of nearly 4800 hospitals in Tamil Nadu.

Minimum wages review meetings have been going on for some time and about 4 meetings have already taken place. Meanwhile our chairman was invited to participate in a meeting convened by labour commissioner on 07/01/20 to discuss the minimum wages. Our chairman made it clear to the officials and other members of the meeting that wages need not be discussed in the meeting since it's already under review and everyone agreed that we should await the outcome of the negotiations. Our chairman also requested a broader representation for IMA involving other key office bearers of state IMA.

The meeting discussed the working conditions for the paramedical staff especially the nurses. The issues taken up for discussion include.

1. Execution of bond in some hospitals- labour commissioner told the meeting that supreme court is against any such bond system and must be given up.
2. Working hours- He said that it's 8 hours per day totalling 48 in a week. It may be stretched to 54 hours provided over time is paid. Also if hospitals are working on 12 hours per day a method has to be worked out which would restrict the number of hours not more than 54/week.
3. Maternity leave has to be increased q to nine months as is given in government establishment.

Dr. V. Varadarajan
Convener, IMA NHB
98431 91190
doctorvvr@yahoo.co.in

4. Other issues like providing a retiring room with entertainment facilities for the off hours staff, safe transportation were also discussed.
5. Medical facilities with stress on ESI and wherever ESI is not available any other group health insurance scheme to cover the medical needs of the working employees.

The health secretary, Director of Medical services, Director of Medical education, the registrar of Indian Nursing Council besides officials from health and labour departments participated.

Our chairman requested that he needed to get back to other key office bearers of the state IMA before the final version of our stand can be submitted.

He pointed out some of the issues like 54hours per week and 9 months maternity leave may be possible in other labour sectors but to apply the same principles for health sector which works 24 hours per day through the week and month will not be practically possible and need re-defining.

The health Secretary and the labour commissioner agreed and asked us and the representatives of the employee segment to present our views in the next meeting which will be in February.

Lot of issues star in our face as far as running our hospitals are concerned. We need to gear up ourselves to tackle them as a team.

We are sure that this is possible because both our state president and secretary are well versed with the problems having been associated with NHB as it's former secretaries. ■

FAMILY SECURITY SCHEME OF IMA TNSB

Dr. C. THANGAMUTHU, FSS CHAIRMAN
Cell: 94430 22328 sailootmuthu@gmail.com

Dear Colleagues of
IMA TNSB
and brothers and
Sisters of FSS,

Warm greetings to you all.

Wish you all a
Happy Pongal !

With immense pleasure we state that out of 9472 members, 9400 members have paid their 24th due AFC Premium. The remaining Members, we are contacting them personally and helping them to pay the premium. It is a very happy news within 10 days of becoming due, 900 members have paid their this year 2020- premium i.e. 25th AFC of 14,000/- We thank them all for their prompt response.

As already announced **HBS – Health Benefit Scheme of FSS** is on. Details are given below. :

1. All the member who have completed 80 years of age, are eligible to avail the benefit under the scheme.
2. There is no need to apply. Members automatically become eligible once they completed 80 years of age.

3. The member desirous of availing the benefit amount should inform FSS Office in writing be registered letter on admission for their health condition and sent the claim within seven days of discharge.

4. Full details – i.e. the copy of the case sheet, discharge summary, investigation details, bills etc. are to be sent to the FSS office along with request letter for benefit under this scheme. I should be sent to the Hony. Secretary of FSS at FSS Office within seven days. (The procedure is as followed in FBS of PPLSSS)

5. **Benefit amount** – Amount contributed to our members family on the demise of the member, as AFC –

Premium by them since joining the FSS. It will be divided into 3 equal portions and one portion will be given in one year.

6. **The Claim amount:** The amount to be given is to be fixed and sanctioned by the FSS office by a committee consisting of Chairman, Hony. Secretary, Hony. Finance Secretary, Vice Chairman and Joint Secretaries.

7. **Mode of Payment:** The amount offered as a benefit

will be intimated to the member along with the I.O.U. form. The member has to complete the form and get the signature of the first nominee for his FSS- DFC as one of the two witnesses.

8. Once the completed form is received, the amount will be sent by DD in the member's name.

9. The benefit amount given will be deducted in his Death Fraternity Contribution amount, when it becomes payable to his nominee.

10. It is applicable to both FSS I & FSS II separately.

11. **Management of the HBS of FSS** is by the Management Committee of Family Security Scheme of IMA TNSB. Management committee has all the powers to amend, modify all the rules, regulations and above provisions as and when required.

12. **Grievance Redressal Forum** :- IMA TNSB State President and Hony. State Secretary.

Dear Colleagues, Warm Greetings from FSS of IMA TNSB,

A New Year has dawned and we have started receiving the 25th due of FSS I of Rs.14000/- in a very rapid manner. This positively indicates the Trust and faith of our members in this unique, noble Scheme of FSS.

We are yet to receive the 24th due from about 90 members; and I request every member to motivate the members who have not paid so far to pay their dues as early as possible, so that our scheme maintains the membership strength.

Thought we have collected for 60 Deaths during the 24th advance, we have paid for 75 members families this year, which shows that our Scheme is strong and resilient.

As far as our FSS II is concerned, we have received the 2nd due Advance quite rapidly and only about 160 members are yet to pay their dues. There also we have paid for 12 Death claims so far.

I would like to congratulate Dr.K.Kamalakaran, District Coordinator of FSS for his untiring efforts in promoting our Scheme in many of our branches. He was awarded for his exemplary efforts during our ERO TIMACON 2019 state Conference.

Wishing you all a Very Happy and prosperous New Year and a Happy Pongal.

Thanking You, Yours in IMA service
