WORLD AIDS DAY

1 DEC

Respected colleagues and friends greetings to all.

I hope you all had a very wonderful Diwali. We had a rough 2020 and it has given us very challenging and tough task. At the same time Indian Medical Association of Tamilnadu branch has been rewarded by getting the top 2 National posts namely the National President Elect Dr. J.A. Jayalal a very well deserving Past President of IMA TNSB who has served our Association in various capacities and myself as the National Vice President Elect. It is indeed a great recognition for the IMA Tamil Nadu. The good work of our State branch and the members of Tamil Nadu has been rewarded. This is indeed giving us more enthusiasm and vigor to dedicate ourselves once again for the betterment of our members and the Association.

I also congratulate Dr. C. Anbarasu for having been elected as IMA CGP Secretary and Dr. S. Rekha becoming Joint Secretary at the Headquarters. I wholeheartedly thank the National, State leaders and all the members of IMA TNSB for having supported and greeted us on this memorable occasion.

Dear Friends,

It gives me great pleasure to write you again as your President elect.

At the outset let me congratulate all the winners of the national IMA elections.

Firstly I congratulate our national president elect Dr.J.A.Jayalal. Then my hearty congratulations to our state President Dr. C. N. Raja for getting elected as national vice President elect 2021. My congratulations to our national CGP secretary elect Dr. Anbarasu and joint secretary elect Dr. Rekha for getting elected unanimously. IMA TNSB is really proud of them. I'm looking forward to a great year ahead for our

state and I'm happy I'll be the state President at that time. I promise to give total cooperation to the national IMA on all constructive issues of mutual interest.

We have had a very useful SCM at Kodaiikanal on 01/11/20(Sunday) attended in person by state office bearers and the rest via Zoom. I congratulate the state office for conducting the meeting with purposeful discussion. I thank treasurer Dr.N.R.T. Thyagarajan for the excellent arrangements.

I'm very happy that we are having our belated Doctors' day function on 19/11/20 at Chennai in the presence of health minister and health secretary. I congratulate all the awardees for their achievements. It's a good idea to have all the management committee meetings of wings and schemes as well as FSC on the same day. That'll save a lot of time in travel.

We are planning to have my installation function with restricted audience in a simple manner on 11/12/20 at Leela Palace in the

State President Elect

presence of important dignitaries. The very next day (12/12/20) we're planning to have our state council meeting at Hotel Accord. I invite all the state council members to attend without fail. Details of the agenda shall be sent soon.

I take this opportunity to thank the office bearers of the Chennai city branches for coming forward to conduct the SCM meeting in a collective manner.

I'm sure with the support and cooperation from all of you, I will be able to deliver my promises to the state IMA and I request you all to help me to make the coming year, a year of great performance.

Last but not the least I wholeheartedly thank our state government for allocating 7.5% of the total seats for students from the government schools. It's a great relief for our students who were finding it difficult to perform well in NEET in spite of doing well in the school final exams.

I personally feel that this quota maybe raised in the coming years.

It's a good sign that Covid numbers are showing a decline and if the trend continues we'll soon be out of the pandemic to a great extent. But we have to make sure that there's no second wave because of the festival and follow as well as advise our patients to follow strict precautions like wearing a mask, social distancing etc

I'm pleased to note that the guest houses of PPLSSS have started showing profits after a new manager took over.

Wishing you all a Happy Diwali.

LONG LIVE IMA

The WHO (World Health Organization) observes many health campaigns and World AIDS Day is one of the most widely known campaigns. The world has accepted to observe World AIDS Day on 1st of December every year from 1988. On this day, discussions about HIV/AIDS (Acquired Immuno Deficiency Syndrome) and speeches will be organised by community based organisations(CBO), government and non-government organizations(NGO), individuals and health officials across the globe to raise awareness about HIV/AIDS pandemic. In this article we enlighten the theme for this year and role of IMA and its members.

There are more advancements in the management of HIV/AIDS, but we still get new infections. There is a need for the public to protect themselves and others. We require continuous awareness camps and screening of the population. For this the memory of HIV/AIDS should stay persistently in the people's mind. Hence the World AIDS Day observations are necessary to keep the disease in the lime light. It will help to control the disease by increasing awareness and indirectly improves the health and quality of life of the citizens.

HIV/AIDS is still one of the devastating pandemic the world has ever seen. Globally, at present, nearly 38 million people are living with the virus and equal number has lost their lives since the virus was isolated in 1984. Indistinguishably, the virus has no difference between age groups, ethnicity, professions, economic status etc.,

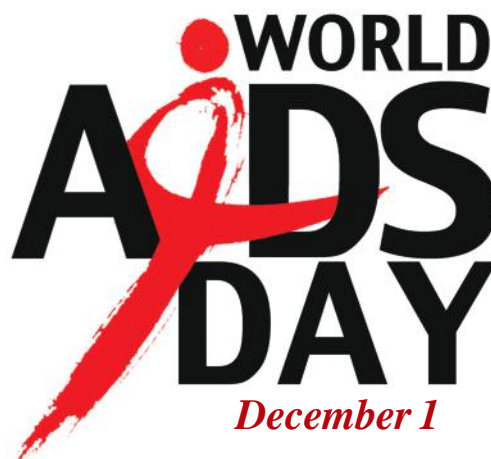

The virus keeps spreading from one infected person to another by one of the following methods.

- 1) Sexual route (All types – Hetero and Homo)
- 2) Mother to child during pregnancy and breastfeeding

Dr. S. Arunkumar, MD (STD)

Professor of STD, Institute of Venereology, Madras Medical College, Chennai-3. Email: arunssshc@gmail.com, Mobile: 9884166648.

- 3) Blood, blood products and body parts (Donor to recipient)
- 4) Others like IV drug abuse (needle sharing, accidental pricks etc).

The most common method of transmission is sexual route and the most efficient route of transmission is through blood and blood products.

Previously we found more opportunistic infections (OI) in HIV patients, but now a days it is rare to see OI, thanks to our Governments for giving Anti Retroviral Treatment (ART) free of cost to all the citizens with HIV infection.

Controlling HIV pandemic is the collective responsibility of the Government and the Public. The government should ensure uniformity, standard operating procedures (SOP), and workers should understand their responsibilities and work carefully to bring more efficiency in controlling the disease. Government agencies should also be user and patient friendly and avoid duplications in line listing of positive patients.

Public, should avoid social stigma and discrimination of people living with HIV/AIDS (PLHA). PLHAs should come out of this stigma and disrespect by the society and disease. PLHAs should take responsibility and help the agencies for contact tracing and to control the disease.

This year theme is Global solidarity and shared responsibility. As explained the responsibility should be shared by all, the Governments and the Public.

As a member of IMA, we will take an oath that we won't stigmatise or discriminate PLHAs. In blood banks, sexual history of the donor is must, to select the donor. It will help to filter the donors who are in the window period. Tips for the General practitioners, screen all the partner(s) of a positive patient. If the patient is a female patient, screen all her children also for this dreadful disease. Obstetricians should screen all the pregnant women and their spouses during the first and last trimester. If you are referring, keep necessary records. In our practice we should be mindful and help the Government in contact tracing. Before doing the HIV test, pre test counseling and informed consent are necessary.

If the test is found positive, give post test counseling and refer them to the nearby Integrated Counseling and Testing Centres (ICTC). In Tamilnadu we have 2163 ICTCs which are located in various places from Primary

Health Centres (PHCs) to Medical College hospitals. In ICTCs, they use three different tests to confirm and detect three antigens for HIV. Hence it is equal to western blot test and confirmatory.

In ICTC they will confirm and refer the patient to nearby ART centre if found positive. There are 57 ART centres in Tamilnadu depending on the population. From 2017, "Test and Treat" policy is followed – irrespective of patient's immune status all are started on ART as early as possible.

Conclusion:

As per the 2020 theme "Global solidarity and shared responsibility" – to show our solidarity, we take a pledge to stop stigma and discrimination against HIV/AIDS and will take responsibility in all possible ways to decrease the burden to the nation. ■

The governing and managing of any organisation is an uphill task, IMA-NHB-TNSB is no exception. The IMA-NHB-TNSB consists of more than 5000 members. The Tamil Nadu state has 38 districts, 15 municipal corporations and 146 municipalities. All IMA-NHB-TNSB are spread throughout all Tamil Nadu and governing them was always an uphill task and adding the pandemic has exposed this fact wide open.

To ensure smooth functioning and a continuous line of communication between all member hospitals it was unanimously decided in the IMA State Council Meeting held on 1.11.20 at Kodaikanal, Dindigul that NHB branch level office bearers will be selected by vote on all the district IMA branches present in Tamil Nadu. The elected members will all come directly under the state office bearers. All NHB active members will have the right to vote and select their representative for their district. In larger branches a Chairman and secretary will be elected and small branches only a Secretary will be elected.

This comes into immediate effect so as to enable those office bearers to assume office in January, 2021 at their respective Branches. Increasing office strength will better enable us to manage and govern our association. It will enable us to collect data of member hospitals more accurately and will enable us to be more constructive in building a strong association forward. ■

IMA COLLEGE OF GENERAL PRACTITIONERS TAMILNADU

Dear Colleagues,
Greetings from IMA TNSB CGP!

At last we have landed into the last month of this year in the midst of a lot of issues and situations like a war front, and we have done our level best to save the front line warriors. Though we have lost some of our colleagues in the beginning, with the continuous, effective efforts of our State IMA, CGP and other wings it has been reduced much.

IMA CGP is going to hosts its 12th Convocation on 22nd November, 2020 at Erode. Those who have completed their courses successfully will be invited to attend the Convocation Ceremony. About 82 students from the 4 courses FCSM – 12, FCPC – 20, FCRD – 18 and FCD – 32 are receiving their convocations. Although there has been a winding back of some restrictions, the COVID-19 situation remains a significant health and safety issue, IMA CGP did the following activities in the month of October:

1. We have been given The Best State CGP Chapter Award during the 8th National CGP conference virtually held from Chennai on 8th November 2020 by National CGP HQs.
2. On 06.10.2020, online classes for Fellowship Certificate course on Reproductive Medicine started.
3. As per the consent from our State President, CME on Infection Control & Management and Inauguration of Fellowship Certificate Course on Infectious Diseases and Infection Control (FCID) – 2020 was held on 17th October 2020. Earlier the course was inaugurated by our State President, Dr. C.N. Raja followed by the Presidential Address. Special address was given by our Hony. State Secretary, Dr. A.K. Ravikumar. Later the course was introduced by the coordinator Dr. K. Neminadhan; and other course coordinators were Dr. K. Kolandaswamy - Risk Reduction Strategies and Dr. Ragunathanan – What is unique about COVID-19? Must know for Doctors.

CME on Mental Health and Course Introduction Programme was held on 26th Nov 2020.

Interested eligible candidates are requested to join the course immediately.

Dear Esteemed members,

Greetings from the Paramedical team. I am happy to share the fact that more institutions have opted to start the paramedical courses and five more institutions have been recognized to start the paramedical courses in this month. The updated books for the courses will be supplied to all the institutions. The aim to enrich the knowledge of our paramedical students and to be at par with the paramedical students of reputed educational institutions will be fulfilled. With the support of our state office bearers I expect that our Paramedical courses would be recognized by an University or by a Board in the near future.

Dr. C. THANGAMUTHU, FSS CHAIRMAN

Cell: 94430 22328 sailootmuthu@gmail.com

Dear Dear colleagues of IMA TNSB and brothers and sisters of FSS,

Warm greetings to you all.

Even though there is new hope for better future about the Chinese Covid-19 pandemic, warning about the increase in incidence of infection due to the forth coming festival seasons, from The Honorable Prime Minister himself down to other higher officials in control of infection, is there. One sentence in the Govt. message he hear in our cell phone on making a call is important – “Even slight carelessness in our preventive measures may lead to grave consequences”. So we have to continue with PPE, and other measures with vigilance.

The present scenario calls for an urgent action by all concerned with FSS. As you all know, Chinese Covid-19 has done enormous damage to the country’s economy and carried away many precious lives of our members. On date 21 of our members have lost their life due to covid-19. Total number of our members died during this year ie.25th premium is 105 on

date. Unexpected Covid-19 deaths have put a strain on the scheme.

In FSS II, there are enough funds to manage the situation.

You must have read the TIMA Bulletin of Oct.2020 where we have given how much FSS - I has contributed for extra deaths in the previous years 2018, 2019 and so far in this year 2020 for deaths over 70 (for 32 over and above 70).

As you are aware, we are collecting Rs.14,000/- as 25th premium of this year for expected 70 deaths. There are already 32 more deaths and we have still 2 months to go for completion. In the 62nd Management Committee meeting, held last November 2019, resolution was passed to raise the 25th premium to Rs.14,000/- with the option to collect extra amount if death exceeds 70. So we have to collect for extra deaths now, which could not be avoided.

In view of short time to intimate and start collecting the amount separately, we submitted a proposal - to collect the next 26th Premium from

November 2020 itself at the premium of Rs.200X100 = 20,000/- covering the increased death rate, to the State Council of our IMA TNSB on 1st November 2020, and honorable members were kind enough to accept our urgent request. This will be placed in the forthcoming FSS management committee meeting for ratification. We thank IMA TNSB for the same.

We have put up this in our ‘whatsapp’ and we thankful to some of our members who have readily paid the 26th premium of Rs.20,000/-

We are submitting a proposal to the FSS Management Committee to be held on 19.11.2020 for extending the 10% reduction in NRD amount to be paid by newly joining members for one more month ie. for the month of January 2021.

IMA TNSB and FSS feel inner satisfaction of helping our colleague’s families, especially of those members whose demise was sudden and unexpected.

It is time to adopt benevolent attitude to the bereaved families of our demised colleagues with more enthusiasm.

All our doings without charity are nothing worth” – The Book of Common Prayer.

Our motto remains : **JOIN FSS – SECURE YOUR FAMILY – FEEL FREE TO PRACTICE.**

Dear Colleagues, Warm Greetings from FSS of IMA TNSB,

The year 2020 which has been a year of shock and despair is slowly coming to an end and the dreaded Covid-19, is also showing signs of regressing. But this onset of 2nd wave of Covid-19 in Europe and USA are really a cause of anxiety for us.

Covid -19 has turned this world upside down and FSS has been no exception. FSS I Total collection of 25th due was for only 70 claims and with two more months to go, we have given claims for 102 deceased members. To put it in perspective, we have given for 59 claims in 3 months - August to October, which is unheard of amount of claims in such a short period in the history of FSS. The concept of FSS is to collect as much as is given. The killer Covid-19 has carried away more than 20 precious lives of our Members unexpectedly. We placed the matter in the IMA TNSB State Council held on 18 November 2020. The Honorable members after considering

this situation, were kind enough to pass the resolution for collecting the next 26th premium from November 2020 itself and the premium amount, in keeping with the outflow this year is fixed as 200x100= Rs 20,000/-. We thank the IMA TNSB Office bearers and State Council Members for the same.

For the scheme to be successful and robust, we need constant growth. I request our dynamic FSS District Coordinators and Branch Office bearers to promote the scheme in a big way.

It is indeed most gratifying that we have been able to help the families of deceased members in a timely manner especially in the pandemic situation.

I would request members who are yet to pay their 25th due to kindly pay at the earliest. Looking forward to your Continued Support and Constructive Suggestion and guidance.

“Stay Safe Stay Healthy - Stay Together - Stay Positive - This too will Pass”

Thanking You, Yours in IMA service

விசித்திரமான சில வழக்குகள்

அன்புள்ள மருத்துவ நண்பர்களுக்கு,

ஐயன் வள்ளுவர் குறள் 485-ல்

காலம் கருதி இருப்பார், கலங்காது
ஞாலம் கருது பவர்

என கலக்கத்துக்கு இடம் தராமல், உரிய காலத்தை எதிர்பார்த்துப் பொறுமையாக இருப்பவர்கள் இந்த உலகத்தையே கூட வென்று காட்டுவார்கள் என்ற பொருளடங்கிய குறளை தினந்தோறும் நினைக்கும்படியாக நம் மருத்துவர்களில் பலர் நுகர்வோர் பாதுகாப்புச் சட்டத்திலிருந்து நமக்கு விடுதலை கிடைத்துவிட்டதாக பலமுறை கூறி வருகிறீர்கள். ஆனால் மருத்துவர்கள் பெற்றுவரும் வழக்குமன்றம் மற்றும் வழக்கறிஞர் நோட்டீஸ்களின் எண்ணிக்கையோ அதிகரித்துக்கொண்டே வருகின்றது. எனவே, 'பாராளுமன்றத்தில் நிறைவேற்றப்பட்ட சட்டம் என்ன ஆயிற்று?' என்ற கேள்வியை இப்போது கேட்க ஆரம்பித்துள்ளார்கள். அந்த மருத்துவ நண்பர்களுக்கெல்லாம் ஆறுதல் அளிக்கும் விதமாகவும், கண்டிப்பாக நுகர்வோர் பாதுகாப்புச் சட்டம் மருத்துவர்களுக்கு பொருந்தாது என பாராளுமன்றம் நிறைவேற்றிய சட்டம் விரைவில் நடைமுறைக்கு வரும் எனவும் நம்முடைய இந்திய மருத்துவச் சங்கத்தின் 2021-ம் ஆண்டு தேசியத் தலைவரும், நம்மவருமான டாக்டர் J.A. ஜெயலால் அவர்களும், தேசிய துணைத் தலைவராகத் தேர்வு செய்யப்பட்டுள்ள நம்மவர் டாக்டர் C.N. ராஜா அவர்களும், முன்னாள் தலைவர்

டாக்டர் S.கனகசபாபதி அவர்களும் 20-9-2020 -ல் ஈரோட்டில் நடந்த PPLSSS-ன் செயற்குழுக் கூட்டத்தில் CPA தொடர்பாகக் கூறிய கருத்துக்களையும், PPLSSS-ன் தலைவராகிய என்னைப் போன்ற நிர்வாகிகளும் கூறிய உண்மைகளை உங்கள் முன்படைப்பது என் கடமை என்பதால் அவற்றைக் கீழே கொடுக்கிறேன்.

PPLSSS தலைவர் ஆகிய நான் பேசும்போது CPA மருத்துவத் துறையிலிருந்து நீக்கப்பட்டுவிட்டது என்றும்,

அதற்கு பாரதப் பிரதமரின் நேரடி வேண்டுகோள் மற்றும் திரு. சுப்ரமணியசாமி போன்ற பல M.P.க்களின் வேண்டுகோளின்மையே CPA-லிருந்து மருத்துவத் துறை நீக்கப்பட்டு, பாராளுமன்றத்தில் சட்டம் நிறைவேற்றப்பட்டு கெஜட்டிலும் வந்துள்ளது என்றும் கூறினேன். Exclusive List-ல் சேர்க்கப்படாததால் மருத்துவத் துறை CPA-விலிருந்து நீக்கப்படவில்லை எனச் சில வழக்கறிஞர்களும், சில நீதிபதிகளும் கூறுவதாகத் தெரிவித்தேன். 2018-ம் ஆண்டு இறுதியில் பாராளுமன்றத்தில் கொண்டு வரப்பட்ட CPA-வில் Medical Service இருந்தது எனவும், 2019-ம் ஆண்டு இரண்டாம் முறை பதவியேற்ற மோடியின் அரசு அதை நீக்கிவிட்டு, பாராளுமன்றத்தில் சட்டத்தை நிறைவேற்றியதாகவும் கூறினேன். அத்துடன் பாராளுமன்றத்தில் சட்டத்தை நிறைவேற்றுவதற்கு முன், மந்திரிசபைக் கூட்டத்தில் Technical

Amendment Act-ன்படி மருத்துவத் துறை Service Sector -லிருந்து நீக்கப்பட்ட பின்பே பாராளுமன்றத்தில் சட்டம் நிறைவேற்றப்பட்டதால், CPA மருத்துவர்களுக்குப் பொருந்தாது என பல பத்திரிகைகளில் செய்திகள் வந்துள்ளதாகவும் தெரிவித்தேன்.

தொடர்ந்து பேசிய IMA TNSB தலைவர் டாக்டர் C.N. ராஜா அவர்கள் மத்திய அரசு சட்டத்தை இயற்றி பாராளுமன்றத்தில் நிறைவேற்றிய பின்பும், ஒரு சில வழக்கறிஞர்களும், நீதித் துறையைச் சார்ந்தவர்களும் தங்கள் வார்த்தை விளையாட்டால் CPA மருத்துவர்களுக்கு உள்ளது எனக் கூறுவது வேதனை யளிக்கிறது எனவும், பெரும்பாலான வழக்கறிஞர்கள் CPA வழக்குகள் மூலம் அதிக அளவில் சம்பாதிப்ப தாலேயே CPA மருத்துவர்களுக்கும் உண்டு என கூறுகிறார்கள் என்று தெரிவித்தார்.

IMA TNSB-யின் முன்னாள் தலைவர் டாக்டர் S. கனகசபாபதி அவர்கள் ராஜ்யசபாவில் நிகழ்ந்த நிகழ்ச்சிகள் அனைத்தும் டிவியில் ஒளிபரப்பப்பட்டது எனவும், அதை தான் பார்த்ததாகவும், CPA துறையைச் சேர்ந்த அமைச்சர் ராம்விலாஸ் பாஸ்வான் அவர்கள் பேசும்போது CPA மருத்துவர்களுக்குப் பொருந்தாது எனக் கூறியபோது, சில உறுப்பினர்கள் “மருத்துவர்களுக்கு அது ஏன் பொருந்தாது?” எனக் கேள்வி எழுப்பியபோது அமைச்சர் ராம்விலாஸ் பாஸ்வான் ‘பாராளுமன்றத்தில் பெரும்பாலான உறுப்பினர்கள் மருத்துவத் துறையை நுகர்வோர் பாதுகாப்புச் சட்டத்திலிருந்து நீக்க வேண்டும் எனக் கூறியதாலேயே நீக்கப்பட்டது’ என்று எடுத்துரைத் தார் எனவும், அதனை டிவியில் தானே நேரடியாக பார்த்ததாகவும் தெளிவாக விளக்கினார்.

IMA TNSB தலைவர் டாக்டர் C.N. ராஜா அவர்கள் பேசும்போது நம்முடன் கலந்து கொண் டுள்ள IMA-வின் தேசியத் துணைத் தலைவர் டாக்டர் J.A. ஜெயலால் அவர்கள் (தற்போது டாக்டர். J.A. ஜெயலால் அவர்கள் 2021-ம் ஆண்டின் இந்திய மருத்துவச் சங்கத்தின் தேசியத் தலைவராகத் தேர்ந்தெடுக்கப்பட்டுள்ளார்) CPA பற்றி தன் கருத்தை கூற வேண்டும் எனக் கேட்டுக்கொண்டதையடுத்து டாக்டர் J.A. ஜெயலால் அவர்கள் பேசுகையில் 2018-ம் ஆண்டு முதல் முறையாக பாராளுமன்றத்தில் CPA கொண்டு வரப்பட்டபோது மருத்துவத்துறை CPA -வில் இருந்தது எனவும், அப்போதைய தேசியத் தலைவர் ஷாந்துநேசன் அவர்களும், தானும், பிற நிர்வாகிகளும் அமைச்சர் பாஸ்வானை நான்கு தடவைகள் நேரில் சந்தித்து, மருத்துவத்துறையை CPA-விலிருந்து நீக்க வேண்டும் என கேட்டபோது, அமைச்சர் ‘முடியவே முடியாது’ எனக் கூறினார் எனவும், அதிர்ஷ்டவசமாக 2018-ல் முதல் முறையாக பா.ஜ.க. அரசு CPA-வை ராஜ்யசபாவில் கொண்டு

வந்தபோது அது நிறைவேறாமல் போனதால் 2018-ல் கொண்டு வரப்பட்ட CPA Act காலாவதி ஆகிவிட்டது; அதைத் தொடர்ந்து புதிய பாராளு மன்றத்தில் 2019-ம் ஆண்டில் அதே பா.ஜ.க. அரசு CPA Act-வை கொண்டு வந்தபோது பாரதப் பிரதமரின் நேரடி வேண்டுகோளால் மருத்துவத் துறை CPA-விலிருந்து நீக்கப்பட்டுவிட்டது எனவும், இது தொடர்பாக யார் வழக்குமன்றத்திற்குச் சென்றாலும் மத்திய அரசு மருத்துவர்களுக்குச் சாதகமாக உள்ளதால், 2019-ல் கொண்டு வரப்பட்ட CPA Act-படி நமக்குக் கண்டிப்பாக CPA-விலிருந்து விலக்குக் கிடைக்கும் என உறுதியாக நம்புவதாகத் தெரிவித்தார்.

தொடர்ந்து பேசிய IMA TNSB-யின் தலைவர் டாக்டர் C.N. ராஜா அவர்கள் PPLSSS-ன் தலைவர் டாக்டர்.K.தங்கமுத்துவிடம், CPA மருத்துவர்களுக்கு நீக்கப்பட்ட பின்பும் தொடர்ந்து வழக்குமன்ற நோட்டீஸ்கள் வருவதை ஆட்சேபித்து, மனுவைத் தயார் செய்யும்படியும், அதை கலந்து பேசி உரிய துறைக்கு அனுப்பி நடவடிக்கை எடுக்க நாம் ஆவன செய்வோம் எனத் தெரிவித்தார். அதனை டாக்டர் K.தங்கமுத்து ஆகிய நானும் ஏற்றுக்கொண்டேன் என்பதைத் தெரிவித்துக்கொள்கிறேன்.

நம் நிர்வாகிகளுடன் கலந்தாலோசித்து, இதுவரை பாராளுமன்றத்தில் சட்டம் நிறைவேற்றப் பட்ட பின்பும் தமிழகத்தில் எத்தனை மருத்துவர்கள் நுகர்வோர் பாதுகாப்புச் சட்டப்படியான வழக்கறிஞர் நோட்டீஸ்களையும், வழக்குமன்ற நோட்டீஸ்களையும் மற்றும் காவல்துறை நோட்டீஸ்களையும் பெற்று வருகிறார்கள் என்பதை புள்ளி விவரங்களுடன் பாரதப் பிரதமருக்கு அனுப்பி, உடனடியாக பாராளுமன்றத்தில் நிறைவேற்றப்பட்ட நுகர்வோர் பாதுகாப்புச் சட்டப்படி மருத்துவர்களுக்கு விதி விலக்கை நடைமுறைப்படுத்த வேண்டும் என்ற கோரிக்கை மனுவில் நம்முடைய இந்திய மருத்துவச் சங்கத்தின் 40,000 உறுப்பினர்களும் கையெழுத் திட்டு பிரதமருக்கு அனுப்ப முடிவு செய்வோம் என்பதை உங்களுக்குத் தெரிவித்துக்கொள்வதுடன், இந்திய மருத்துவச் சங்கத்தின் அனைத்து உறுப் பினர்களும் அதற்கு ஒத்துழைப்புத் தரவேண்டும் என்பதையும் தெரிவித்துக்கொள்கிறேன்.

கண்டிப்பாக ஐயன் வள்ளுவன் தன் 485-வது குறளில் கூறியுள்ளதைப் போல, கலக்கத்துக்கு இடம் தராமல் உரிய காலத்தை எதிர்பார்த்துப் பொறுமை யாக இருந்தால், இந்த உலகத்தையே கூடவென்று விடலாம் என்ற உறுதிமொழியை நாங்கள் உங்களுக்குத் தருகிறோம்.

கடந்த 15-9-2020 லிருந்து 10-11-2020 வரை 26 வழக்குமன்ற நோட்டீஸ்கள், வழக்கறிஞர்

நோட்டீஸ்கள், காவல்துறை நோட்டீஸ்கள், மருத்துவக் கவுன்சில் நோட்டீஸ்கள் என பல நோட்டீஸ்கள் பெறப்பட்டன என்பதையும், அவற்றில் மகப்பேறு மருத்துவத் துறையைச் சேர்ந்த நோட்டீஸ்கள் 12, பொது அறுவைச் சிகிச்சை -10, பொதுப்படையான நோட்டீஸ்கள் -2, எலும்பு சிகிச்சைத் துறை -1, காது, மூக்கு, தொண்டை துறை 1 என மொத்தம் 26 நோட்டீஸ்கள் பெறப்பட்டுள்ளன. அவற்றில் சில விசித்திரமான நோட்டீஸ்களை உங்கள் முன்படைக்கிறேன்.

1. ஓர் அறுவைச் சிகிச்சை நிபுணர் V-Hernia-விற்காக அறுவைச் சிகிச்சை செய்ததைத் தொடர்ந்து ஏற்பட்ட பாதிப்பிற்காக, மாவட்ட ஆட்சியருக்கு நஷ்ட ஈடு பெற்றுத்தரும்படி நோயாளி மனு அனுப்பியுள்ளார். மாவட்ட ஆட்சியர் ஒரு மருத்துவக் குழுவை அமைத்து விசாரணை நடத்தி, மருத்துவர் தவறு செய்துள்ளார் என முடிவு செய்து, அந்த மருத்துவர் உரிய இழப்பீட்டுத் தொகையை நோயாளிக்குக் கொடுக்கும்படி J.D. மூலமாக அறுவைச் சிகிச்சை செய்த மருத்துவருக்கு ஒரு கடிதத்தை அனுப்பினார். ஆனால் மருத்துவக் குழுவின் முடிவையும், மருத்துவர் எவ்வளவு தொகை நஷ்ட ஈடு வழங்க வேண்டும் என்ற விவரத்தையும் அந்தக் கடிதத்தில் கூறவில்லை. தற்போது மருத்துவர் மருத்துவ அறிக்கையையும், எவ்வளவு தொகை நஷ்ட ஈடாகக் கொடுக்க வேண்டும் எனவும் விளக்கம் கேட்டு மாவட்ட ஆட்சியருக்குக் கடிதம் எழுதியுள்ளார். இந்த நிலையில் அவருக்கு தமிழ்நாடு மருத்துவக் கவுன்சிலில் இருந்தும் விளக்கம் கேட்டு நோட்டீஸ் வந்துள்ளது.

2. ஒரு மருத்துவர் Lap Cholecystectomy செய்ததைத் தொடர்ந்து, நோயாளிக்கு நான்காம் நாள் Bile Peritonitis என்ற நிலை ஏற்பட்டுள்ளது. அதைத் தொடர்ந்து அந்த நோயாளியை எல்லா வசதிகளும் அடங்கிய ஒரு பெரிய மருத்துவமனைக்கு சிகிச்சைக் காக அனுப்பியுள்ளார். அங்கு சிகிச்சைப் பெற்ற நோயாளி நான்கு நாட்களுக்கு பின் வேறொரு பெரிய மருத்துவமனைக்குச் சென்றபோது அங்கு அவருக்கு

Laparotomy செய்யப்பட்டதைத் தொடர்ந்து நான்கு நாட்கள் கழித்து வலது காலில் Gangrene என்ற நிலை ஏற்பட்டதால் Amputation செய்யப்பட்டது. அதைத் தொடர்ந்து சில நாட்களில் அவர் இறக்க நேரிட்டது. முதல் மருத்துவமனை மருத்துவரும், இரண்டாம் மருத்துவமனை மருத்துவரும் நஷ்ட ஈடு கொடுக்க வேண்டும் என அவர் குடும்பத்தினர் வழக்கறிஞர் நோட்டீசை தற்போது அனுப்பியுள்ளார்கள்.

3. ஒரு மருத்துவமனையில் பிறந்த குழந்தைக்கு பிறப்பைப் பதிவு செய்ய மாநகராட்சிக்கு Birth Report அனுப்புவதற்குத் தேவையான கணவர் பெயர் மற்றும் சரியான விலாசம் எதுவுமே கொடுக்காமல் அந்தத் தாய் மருத்துவமனையை விட்டுச் சென்றுவிட்டதால் எட்டு ஆண்டுகள் கழித்து, அவருடைய கணவர் தன் குழந்தைக்கு இதுவரை பிறப்பு அறிக்கை அனுப்பாததற்குக் காரணம் கேட்டுள்ளதுடன், அப்படிப் பதிவு செய்யாததால் தனக்கும், தன்குடும்பத்திற்கும் ஏற்பட்ட மன உளைச்சலுக்கு ரூ.10 லட்சம் நஷ்ட ஈடாகக் கொடுக்கப்பட வேண்டும் எனக் கேட்டு வழக்கறிஞர் நோட்டீசை அந்த மருத்துவமனைக்கு அனுப்பியுள்ளார்.

இதுபோன்ற பல வழக்குகளை தினசரி மருத்துவர்களாகிய நாம் பெற்று வருகிறோம் என்பதால், நம்மிடம் சிகிச்சைப் பெறுபவர்கள் ஏதாவது ஒரு காரணத்தைக் காட்டி நஷ்ட ஈடு கேட்டு வழக்கறிஞர் நோட்டீசை அனுப்ப வாய்ப்புள்ளது என்பதால், நாம் அனைவருமே கவனத்துடன் சிகிச்சை அளிக்க வேண்டும் எனக் கேட்டுக்கொள்கிறேன்.

நுகர்வோர் பாதுகாப்புச் சட்டம் நமக்குப் பொருந்தாது என உறுதிசெய்யப்பட்டாலும், நம்மிடம் சிகிச்சைப் பெறுபவர்கள் சிவில் மற்றும் கிரிமினல் சட்டப்படியும், மருத்துவக் கவுன்சிலின் வழியாகவும், மனித உரிமைக் கமிஷன் வழியாகவும், காவல்துறை வழியாகவும் நம்மேல் வழக்குப் பதிவு செய்ய வாய்ப்புகள் உள்ளன என்பதை மட்டும் நாம் எப்போதும் மறக்காமல் நம் மருத்துவச் சேவையைச் செய்ய வேண்டும் எனக் கேட்டுக் கொள்கிறேன். ■
