### Dear Friends,

It gives me great pleasure to address you for one more time as your State President.

It is quite relieving to see that the pandemic has been slowing down and there has been a tremendous decline in number of cases per day. I hope that we will continue our safety precautions and keep the third wave at bay. In this context, I would request the state and central governments to let IMA shoulder the responsibility of vaccination of the population, that too free of charge.

This month we have seen hectic activity with management committee meetings of the wings and schemes. There has been a lot of discussion going on in social media about FSS premium especially this year. We must all realize that the years 2020 -2021 have been very hard on our profession and we have already lost more than 175 members. I would like to mention that for the last 4 years, we have not collected any additional advance for the additional deaths. This year we have collected Rs. 20000/- for 100 deaths. Because of the unforeseen circumstances we are compelled to collect Rs.15000/ as additional advance for 75 deaths for further payment.

I hope by God's grace we will not see another year like this and the AFC would naturally come down. I appreciate the concern expressed by our members and some alternatives have also been offered. The best way to discuss this, will be by attending the next FSS general body, in good numbers, hopefully in person and submitting your constructive views. A new team has taken over in both PPLSSS and FSS I expect a lot of energy from them.

I'm happy that issues were discussed in NHB management committee meeting but it's clear that they need a full day for discussion which may be possible if the pandemic subsides.

I take this opportunity to thank the state government for recognising our services by conducting the Doctors day celebration and I'm proud to say that we were the first to

be called for the award. This government has been sympathetic to our profession and first it was solatium and now the awards. I hope this goodwill will continue in the coming years also.

I congratulate IMA CVB Theni for conducting the state council meeting in a grand and purposeful manner. Though declared as a hybrid meeting ultimately it resembled a full in person meeting. I thank all the members who participated for their interest in the welfare of IMA. Though there were heated discussions ultimately it was in the interest of IMA and many useful resolutions were passed. I take this opportunity to thank all the past state Presidents who participated in the forum meeting for giving very helpful suggestions to me and the state office.

I congratulate NHB for coming out with a comprehensive app covering all NHB members. Hope our members will find it useful when put to use.

I'm immensely happy that our national president Dr. J. A. Jayalal could find time to spend with us and give useful inputs. I take this opportunity to thank him and national IMA for giving solatium of ten lakhs each to four families from Tamil Nadu.

Dates for elections have been announced by the Election commission and I'm sure the elections would be fought in the most democratic manner without any bitterness. After all we are a professional association and we are all friends.

## Dear Colleagues and Friends

Greetings and I am so happy to share with you few of my thoughts through this July month's message. July was named in honour of Roman General Julius Caesar, it being the month of his birth. For us it is the most important month since July 1<sup>st</sup> is the Birth and Death anniversary of the great Physician and second Chief Minister of West Bengal Dr Bidhan Chandra Roy. We celebrate July 1<sup>st</sup> as National Doctor's Day, a honour given by Indian Government to Dr B C Roy .On this day we show our gratitude to all those Doctors who have worked selflessly for the health of their patients. This year the National Doctor's Day is much significant as we have continued to fight the Covid 19 pandemic and succeeded in our efforts. Yet another important event is World Population Day, as we Doctors have to create an awareness among public about birth control, maternal and child health.

Friends, we have almost completed seven months in this year 2021 and because of Covid pandemic and lock down we are not able to perform the Branch activities to our satisfaction. Let us take a pledge to work hard in the coming months and try to achieve our goal. Membership growth in each Branch is vital and we must show minimum 10% growth. Please add more members in PPLSSS, FSS 1 and 2 and NHB. Since rainy season started plan to implement GO GREEN project by planting tree saplings and roof gardens. We have to encourage the public to take vaccination

against Covid 19 and to follow the IMA and Government protocol to combat the disease.

Elections to State Office bearers are almost nearing and as per the request of the State Office, Branch Secretaries are requested to send the required particulars of their members, so that everybody will have the right to vote in the upcoming online election.

I am fortunate to participate in so many programs virtually. IMA AMS wing organised meetings on 16<sup>th</sup> June and 14<sup>th</sup> July. On 16<sup>th</sup> June, attended the meeting to discuss about the All India Protest day. On 20<sup>th</sup> June attended the FSS Management Committee meeting and also IMA Chennai South CME program. International Yoga day was celebrated by IMA Chennai South on 21<sup>st</sup> June and I felicitated the event. Attended Academic Research Committee meeting on 25<sup>th</sup> June. On 27<sup>th</sup> June attended PPLSSS and NHB management committee meetings. On 1<sup>st</sup> July, National Doctor's Day was celebrated by Lions Clubs International at Government ESI Medical College Hospital Coimbatore and awards presented to 200 Doctors for their exemplary work during Covid Pandemic. I have the privilege of being the Chief Guest on that day and presented the awards. I was fortunate to hand over the House Surgeon completion certificates to the first batch of students of the Govt ESI Medical college Coimbatore on the same day. Unity our strength. Together we succeed.

**Long live IMA.**

## IMA Coimbatore Branch and Woman Doctors Wing conducted the Programme

# THAAIMAI

## As an initiative for SAFE MOTHERHOOD WEEK!

**Dr.T.Nalini**

Chairperson

Women Doctors Wing  
IMA, Coimbatore

### If focuses on

- ▶ Preventing the Anxiety of the Pregnant Women.
- ▶ To Secure their life by enhancing the positively within themselves.
- ▶ Ultimately helping them to cope up with current situation our society.
- ▶ Antenatal mothers will learn to bond with their baby, antenatal exercises and much more!

- ▶ To eliminate the fear in this pandemic situation during pregnancy and delivery.
- ▶ To program their sub conscious mind to attract health & their relationships.
- ▶ To balance their life peacefully during pregnancy.
- ▶ To improve the quality of life.
- ▶ They will learn about good sleeping pattern
- ▶ To improve metabolism.
- ▶ Overcome stress & laziness.
- ▶ Improve mothers and their baby's attention span.
- ▶ Feel energetic, powerful & positive from within.

This program is being conducted for one hour once a week and pregnant mothers are given activities by Prenatal Counsellor and members of Women Doctors Wing of IMA Coimbatore Branch.

**Day 1 :** They were asked to write the blessing in their life – atleast ten. This helped them realize their strength and helped them to focus. Because knowing oneself is the beginning of all wisdom as stated by Aristotle.

**Day 2 :** They were asked to write the desires for their baby in places where they could easily see it often as in mirror or bedroom wall. This constant wish will have a positive input on the baby. Medication for first five minutes soon after getting up was also taught.

**Day 3 :** They were asked to observe their activity for 24 hrs. That helped them to know if they were idling or spending usefully as in walk, rest, cooking, listening to music, doing the dishes etc.

**Day 4 :** They wrote gratitude not to their parents and were so happy to note the joy of their parents. All these days they were at the receiving end and realized that giving back is more important.

They also wrote gratitude not to frontlines and all

those associated with them in their life.

**Day 5 :** Gratitude to all haters. This made them know their negatives, to correct them and grow.

**Day 6 :** Gratitude to pregnancy and husband. Usually in our families, we don't use thank you, please sorry etc, stating it makes the relationship format. But many of the Antenatal mothers were pleased to note that their husband was so happy where they gave them the thank you note.

This small act of kindness had brought them closer creating a better bonding.

Dr. Sasithra spoke on Epigenetics on that day. She retold the story of Prahaladha and how the child in the womb was influenced by Narayana Nama.

That showed how prenatal music and book creations like book reading, starting a collection of books or library can influence the baby later on.

**Day 7 :** They were asked to write poems to their baby and keeping a hand on the abdomen, recite it to them. Their voice become familiar and the child – mother bonding is strengthened. This is proven by the fact that however a child crisis, it can be smoothed by his mother's voice.

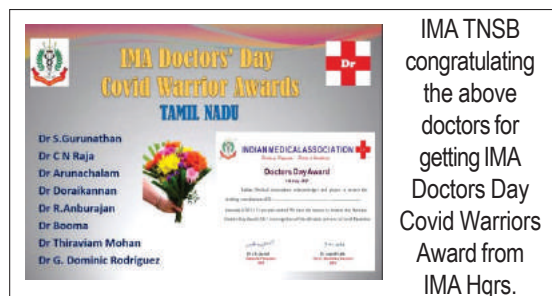

On that day Dr. Anitha spoke on avoiding junk foods, nutritious, balanced diet, good sleep, avoiding electronic gadgets later in the night which can help them be early risers. Only then such self discipline will be inculcated in the baby too. And also to wear loose fitting clothes, avoiding loggings.

Last but not the least, they were asked to continue their regular checkup, stick to the advice of consulting obstetrician, to maintain normal weight gain of one kg per month and to report if they have any problems immediately.

One of the activities was to bring out the creativity in them –they draw vice pictures, learnt art and were really proud to display their art.

Enjoying pregnancy and keeping the mind calm and happy can bring forth a whole lot of change in society. We are sure that the next generation will be intelligent, brave, friendly, affectionate and also practice humanity!.

This is one of the pet projects of our president Dr.V.Rajesh Babu and Secretary Dr. Priya Kubendiran and we thank them for their guidance and support. ■

# IMA NURSING HOME BOARD

After facing a severe second wave of corona virus pandemic between February and May, there has been a sharp decline in India's and our state's daily cases in the last several weeks. However, the recent trajectory of COVID-19 cases has shown some worrying signs.

As per the data shared by the Ministry of Health and Family Welfare (MoHFW), there has been a slowdown in the downward trend of daily COVID infections and a slight increase in the positivity rate. This is worrisome as there has been an influx of people at tourist destinations with less or no COVID-appropriate behaviour seen from them.

A research report has predicted that India may witness the third wave of COVID-19 in mid-August 2021, raising the alarm bells for policymakers and citizens. The state and central Government are playing its part it keeping the public safe and trying to be prepared for the next wave by implementing more Medical Oxygen production centres and erecting special Children Covid care centres.

Early reports suggested that the third wave will affect children the most but recent research suggest other wise, it states that children will be

**Dear and  
Respectful Members,  
Greetings from the Chairman  
of the FSS IMA TNSB,**

At the outset I thank all the members of the management committee for your kind co-operation during the meeting held VIRTUALLY on 20th June 2021. I felt so much as I couldn't accommodate many of the district co-ordinators as I was NOT CO-HOST for the meeting and everyone has unmuted and talking resulting in confusion. I will rectify this during our NEXT PHYSICAL MEETING. Please excuse me.

After the meeting I am getting almost 5 to 10 calls a day for the clarification and able to convince them regarding the situation. Some are able to understand and some are getting angry.

The concept of the scheme is TO HELP OUR MEMBERS FAMILY AFTER THEIR DEMISE. Already we have explained many number of times our situation which forced us to collect this EXTRA COLLECTION OF Rs. 15,000 in addition to our regular premium collection of Rs 20,000.. As we don't like to touch the NRD amount of Rs 7.62 crores, it has been decided in the 68th management committee meeting to implement the following decisions.

**FSS 1 :**

- 1) Claim amount is fixed as Rs 18 Lakhs.
- 2) Yearly fraternity contribution remains as Rs. 20,000.

## **FAMILY SECURITY SCHEME OF IMA TNSB**

3) But decided to collect AN ADDITIONAL AMOUNT OF Rs 15,000 (Rs. 200 x 75) as AN INTERIM MEASURE EXCLUSIVELY FOR COVID-19

4) New members joining from 1st July 2021 are requested to pay only Rs 20,000 as advance amount and are exempted from the additional amount of Rs 15,000.

**FSS 2 :**

1) 4th premium: AFC collection: to collect Rs 18,000 for 60 deaths from 1st July.

2) Claim amount is fixed as 8 lakhs from July 1st.

3) Members who expired before 30th June 2021 will receive the claim amount as per the members list.

4) The UPPER AGE LIMIT TO JOIN THE FSS 2 IS REDUCED

TO 50 years from 60 years which shall be in force from 1st July 2021.

Dear members please understand our situation. We have to stabilise our scheme first. For that we request you all to pay this EXTRA COLLECTION OF Rs 15,000 as AN INTERIM MEASURE EXCLUSIVELY FOR COVID.. We can plan for anything in future with all your guidance for the BETTERMENT OF OUR SCHEME.

**ONE FOR ALL. ALL FOR ONE !**

Thanking you, *Yours faithfully,*  
**- Dr. B. Venkatesan, Chairman FSS**

### **CLAIM PAID - IMA SALEM BRANCH**

IMA Salem Branch President , Hony. Secretary Dr. Balamurugan, FSS Chairman Dr. B. Venkatesan, Past State President Dr. K. Prakasam Presenting DD of Rs. 18,00,000/- to the nominee Mrs. Dharmadevi W/o Late Dr. V. Krishnaraj (FSS I# 2531) Member of IMA Salem Branch. Date of Death - 22.05.2021.

## Dear Colleagues, Greetings,

The covid Pandemic taught us that life has no guarantees and made us to “Remember how fleeting is one’s life. For what futility God have created all humanity”

Thank you all for carrying the burden of our diseased members family by your contributions even in the testing time like this. In fact your contributions added value and dignity to the diseased colleagues who lost their life unprecedentedly due to covid and otherwise.

Around 300 Members paid in 27th interim additional premium in FSS 1 and 600 Members paid 4th premium in FSS 2.

If you take a plant in the ground: You plant in one season but have to wait and harvest in another. You always get back more than you put in.

But here instead of you harvesting, your dependents harvest. Hence let’s allow our dependents to reap what you Sow and make an additional lasting impact on your beloved family members even in your absence.

Our scheme is delivering the promised claim amount even during this Pandemic and it stands superior to any life insurance because it gives 100% pay-out and doesn’t collect additional premiums for risk factors coverage, pre-existing illness and no denial of claims after death and never ever scheme for outright settlement.

Even if you don’t accept the above view point it delivers 10 times more than the invested amount even to the founder members as of now and for the unfortunate few almost 100%.

We assure you all that we shall try to make the needed adjustment to bring down the next AFC. Kindly pay at the earliest 26th premium of Rs.20,000/- (kindly ignore if paid) & 27th additional premium of Rs.15,000/ and help us to pay the claim amount uninterruptedly.

The total amount paid by any Founder member from inception of the scheme in 2004 till 30th June 2021 is Rs.1,59,700.

916 claims paid till date. So far we have paid Rs.142,85,89,210/- deceased members family.

I humbly request you to restrain yourself from counterfactual thinking as we are all in the boat.

Life Is After All Full Of Choices, Do Always Count Your Blessings To Stay Positive & Motivated...

**With regards, Yours sincerely,**

**- Dr. D. Solomon Jeya, Secretary, FSS, IMA TNSB**

## PROFESSIONAL PROTECTION LINKED SOCIAL SECURITY SCHEME OF IMA TN

### Respected Senior Medical Professionals, Beloved Colleagues, Dear Friends,

Best Wishes and Greetings from PPLSSS Team 2021 – 23. In April - May - June – TIMA News Bulletin, we have published the way how PPLSSS, HPS, FBS Schemes are functioning., by way of SOPs and Application forms for the above schemes. We hope, those are very useful for the members.

We are in the communication era, considering that in mind, members are requested to give correct Cell number & E.mail id, Landline members & complete Postal address, which are essential and mandatory for enrolling the membership.

Out of Lawyer Notices & Consumer Forum Notices, we noted many Hospitals & Doctors, are lacking enough Records, for defence. In spite of your busy practice don't forget to write the Case sheets, Consent forms, Progress reports, Nurses reports, Drug charts, Fever charts. I/O charts, Operation Notes, Discharge Summary. Record any uncooperation by the patient & attenders in the case sheet with date & time.

If any patient is missing in the ward, record it, if you give permission for any patient, record it– mention the reason, and if any objection by you on medical grounds, please record it. Some of our colleagues (not everybody) sometimes, fabricate the case sheets – which will give a wrong figure at Courts & leading to loss of Victory in the case. If any rewriting or over writing, put your signature or initials for the corrections made.

Saving the Lives are important, So first attend patient – give the treatment - then record in the case sheet systematically. In one incident a patient was received at 01.05 am - Emergency treatment, Resuscitation & Stabilization done till 1.45 am - referred to GH at 2.10 am in Ambulance – referral letter with CT film only. But the CT report, Basic Lab reports, Bill & Receipts given to the attenders at 2.45 am, then recorded everything in the ER case sheet & discharge slip, but the Lawyer's accusation was What is the final diagnosis? – Why 1.30 hours to arrive a diagnosis? Why it was not recorded then & there while examining????.... At 2.45 am, When the patient not at all, at the treating hospital – How bill & receipts made after the patient being moved? Why reports given at a later time? So the Lawyer was saying that all are fabricated and only a after thought!!!. But it was not show.

Actually a probable Diagnosis & Differential Diagnosis was given while referring & after receiving Lab reports & CT report & Handed over to the waiting attenders. Medicines used from Emergency Room – Drug Trolley - were replaced from Pharmacy which was billed after the referral, given to the waiting attenders. **So recording the case sheet & mentioning the facts is very important.**

Do remember the words

**“More Records = More Defence;  
Less Records = Less Defence;  
No Records = No Defence”**

## அன்புள்ள மருத்துவ நண்பர்களுக்கு,

தொட்டணைத்தூறும்மணற்கேணிமந்தர்க்குக் கற்றணைத்தூறும் அறிவு (குறள் 396)

- என மேற்கண்ட அய்யன் திருவள்ளு வரை நினைவு கொள்ளும் வகையில் சில சம்பவங்கள் PPLSSS இல் தற்போது நிகழ்ந்து வருவது எனக்கு மகிழ்ச்சியை அளிக்கிறது.

**மருத்துவர் கேசவன் அவர்களும், மருத்துவர் தாமோதரன்**

அவர்களும் PPLSSS இன் தலைவர்களாக இருந்த காலத்தில் நான் வழக்கறிஞர் நோட்டீஸ்களுக்குக் கொடுக்கும் பதில்களைப் படித்துவிட்டு என்னை அவர்கள் பாராட்டியபோது நான் மகிழ்ச்சியடைந்துள்ளேன்.

11-04-2021 இல் PPLSSS இன் செயலாளராகப் பதவியேற்றுள்ள **டாக்டர் மணிவண்ணன்** அவர்கள், இன்றுவரை நான் தயாரித்து அனுப்பியுள்ள 12 வழக்கறிஞர் நோட்டீஸ்களுக்கான பதில்களைப் படித்து வருவதும், பதில்களை எழுதும் அளவிற்குத் தன்னைத் தயார்படுத்திக் கொண்டு வருவதும் பாராட்டுதற்குரியதாகும்.

டாக்டர் மணிவண்ணன் அவர்களைப் போலவே PPLSSS இல் உள்ள DISTRICT CO-ORDINATOR-கள் வழக்கறிஞர் நோட்டீஸ்களுக்குப் பதில் எழுதப் பழகிக்கொள்ள விரும்பினால், அவர்களுக்கும் என்னிடம் வரும் வழக்கறிஞர்களின் நோட்டீஸ்கள் மற்றும் அதற்கான பதில்களை உங்களுக்கு அனுப்பி வைக்க நான் தயாராக உள்ளேன். பதில் எழுதும் பயிற்சியில் இதுவே முதல் படியாக அமையும் என்பதையும், தொடர்ந்து பயிற்சியளிக்கப்படும் என்பதையும் தெரிவித்துக் கொள்கிறேன்.

கடந்த 01-01-2020 முதல் 19-07-2021 வரை 69 நோட்டீஸ்களை நம் மருத்துவர்கள் சார்பாக நாம் பெற்றுள்ளோம். அவற்றில் 48 வழக்கறிஞர் நோட்டீஸ்களில் 37 நோட்டீஸ்களுக்கு நம் PPLSSS இன் சார்பாகப் பதில் தயாரித்துக் கொடுக்கப்பட்டுள்ளது. வழக்கு மன்றத்திலிருந்து பெறப்பட்ட 12 நோட்டீஸ்களில் ஒரு நோட்டீஸ்க்கான பதிலை நம் PPLSSS இன் சார்பாகப் பதில் தயாரித்துக் கொடுக்கப்பட்டுள்ளது. TNMS இல் இருந்து பெறப்பட்ட 3 நோட்டீஸ்களுக்குமே மருத்துவர்கள் சார்பாக நம் PPLSSS பதில் தயாரித்துக் கொடுத்துள்ளது. இன்னும் 9 வழக்கறிஞர்கள் நோட்டீஸ்களுக்குப் பதில் எழுதப்பட வேண்டியுள்ளது.

பெறப்பட்ட வழக்குமன்ற நோட்டீஸ்களில் ஒன்று BLOOD GROUP மாற்றி கொடுக்கப்பட்டதற்காகவும், மற்றொன்று காலாவதியான தடுப்பூசி போட்டதற்காகவும், மூன்றாவதாக

## உங்கள் கவனத்திற்கு...

‘கொரோனா’ பரிசோதனை செய்யாமல் CIRCUMCISION செய்ய மறுத்ததற்காகவும் வழக்குமன்ற நோட்டீஸ்களை மருத்துவர்கள் பெற்றுள்ளார்கள்.

‘கொரோனா’ காலத்தில் பல வழக்கறிஞர் நோட்டீஸ்களுக்கு உடனே பதில் எழுத முடியாமல் போய்விட்டது. 05-07-2021 -க்குப் பின்தான் பதில் எழுதத் தொடங்கினேன்.

சில மருத்துவர்கள் அனுப்பியிருந்த வழக்கறிஞர் நோட்டீஸ்கள் முழுமையாக அனுப்பப்படாமலும், சிலர் அனுப்பிய ‘கேஸ் ஷீட்’-ின் நகல்கள் முழுமையாக இல்லாமலும் இருந்ததால் அவர்களைத் தொடர்புகொள்ள முயற்சித்தபோது, அவர்கள் கொடுத்திருந்த செல்போன் எண்கள் அவர்களுடைய மருத்துவமனை எண்களாக இருந்ததால் பலரைத் தொடர்பு கொண்டபின்பே அந்தக் குறிப்பிட்ட மருத்துவரை நெருங்க முடிந்தது. இதற்காக பல நிமிடங்களைத் தேவையில்லாமல் செலவிட நேரிட்டது.

என்னுடைய வேண்டுகோள் எல்லாம், எந்த மருத்துவருக்கும் பாதிப்பு ஏற்பட்டுள்ளதோ, அந்த மருத்துவரின் தன்னுடைய செல்போன் எண்ணையும், அவருடைய ஈ-மெயில் விலாசத்தையும் கொடுக்க வேண்டும்; கொடுத்தால்தான் உரிய முறையில் - உரிய விளக்கங்களைப் பெற்று அவருக்குப் பதில் தயாரித்துக் கொடுக்க முடியும் என்பதை மருத்துவ நண்பர்களுக்குத் தெரிவித்துக் கொள்கிறேன்.

பாராளுமன்றத்தின் இரு அவைகளிலும் ஆகஸ்டு 2019 ஆம் ஆண்டு ‘நுகர்வோர் பாதுகாப்புச் சட்டம் - 2019’ இல் இருந்து மருத்துவத்துறை நீக்கப்பட்டு விட்டது என்பதையும், அந்தச் சட்டம் நிறைவேற்றப்பட்டு இரண்டு ஆண்டுகள் நிறைவு செய்யவுள்ள நிலையிலும், நம் மருத்துவர்களுக்கு அந்தச் சட்டத்தால் இதுவரை எந்தப் பயனுமில்லை என்பதையும் நாம் அனைவரும் அறிவோம்.

நம்முடைய இந்திய மருத்துவச் சங்கத்தின் தேசியத் தலைவர் **டாக்டர் J.A. ஜெயலால்** அவர்களின் தொடர் முயற்சியால் இன்னும் சில வாரங்களில் நாம் உச்ச நீதிமன்றத்தை அணுகி உடனே நுகர்வோர் பாதுகாப்புச் சட்டம்-2019 இல் நமக்கு விலக்குக் கொடுக்கப்பட்டுள்ளதை உடனே நடைமுறைப்படுத்தும்படி மத்திய அரசுக்கு ஆணையிடும்படியான ஒரு தீர்ப்பை நாம் பெறுவோம் என்பதை உறுதிப்படுத்த தெரிவித்துக்கொள்கிறேன். ■

**IMA Tamilnadu expresses their gratitude to our Honourable Prime Minister Shri Narendra Modi Ji for addressing the 'Healers of the Human - The Doctors' on the Eve of National Doctors day July 1st 2021 organised by the Indian Medical Association (IMA HQRS)**

### Here are the Highlights of Honourable Prime Minister Shri Narendra Modi's address:

- Doctors are called a form of God, and for good reason.
- Today, when the Nation is fighting the COVID-19 pandemic doctors have worked tirelessly to save lakhs of lives. There have been those doctors who laid down their lives saving the lives of others. I pay homage to all those doctors who made the supreme sacrifice.
- After decades since independence, we all know how medical infrastructure was neglected... and what state it was in.
- During the first wave, the government had allocated 15,000 crores as a special fund to increase the health infrastructure in the nation.
- This year too, the budgeted allocation for health has more than doubled to over Rs. 2 lakh crores.

- Today the number of hospitals, the number of AIIMS across the nation, the number of medical colleges have started or are being built. With these, people in the remotest parts of the nation will be able to fulfill their dreams of becoming doctors.
- We are always thankful to doctors and healthcare workers for their service, and hence we have brought and enhanced laws for their protection too.
- We have also seen in recent times that many doctors and medical practitioners have actively promoted yoga and wellness. This should have been done in the decades before too, but it is being done now.
- Yoga and wellness is an accepted the world over and it is encouraging to see how many people are now actively keen about their well-being and fitness.
- Yoga should also reach all corners of the world.
